

Egg Setting Equipment for Staggered Trays

Egg Setting Equipment

For fast, safe setting of eggs from 30 egg trays to setter trays

Why Credence Egg Setter ?

The equipment is a lightweight, gentle, tool for semi-automatic transfer of eggs from 30 egg tray to setter tray, the vacuum egg lifter eliminates the risk of breakage of eggs. Crafted out of clear polycarbonate to give complete visibility from handle to cup. The unit can be customized with a variety of standard egg lifters and is available for straight and honeycomb structured setter trays.
